ORDER:

In the reference read above, the Engineer-in-Chief (R&B), State Roads, Hyderabad has stated that the the Chinnacheppali – Veerapunayunipalli Road is an important Major District Road in Kamalapuram Constituency and it connects Kamalapuram – Ayyavaripalli Road (MDR) which was recently developed to double lane under Corenet at one end and another end with Yerraguntla – Vempalli Road which is also Corenet Road. The Mahasivarathri festiaval will be celebrated grandly every year. The road passes through important agricultural potential villages and Veerapunayunipalli Mandal Head Quarters. This road passes through the famous pilgrim centre SANGAMESWARA TEMPLE. Pilgrims not only from A.P. but also from Karnataka state also visit this place in large number through out the year. The rush of pilgrims will be heavy during the Karthika Masam and Magamasam and this road by nomenclature “Chinnacheppali – Veerapunayunipalli Road (via) Sangameswara Temple” is a single lane road. This road passes through many villages of about 10 Nos Chinnacheppali, Bayanapalli, Latepalli, Podadurthy, Venkatapuram, Kothapalli, Erraballi Sangameswara Temple, Animela and Veerapunayunipalli. The total length of this road is 20.560 Kms. This road was last renewed during the year 2003-2004 under NABARD. Due to the large scale plying of commercial vehicles, there are many metal quarries are located adjacent to this road and also sand quarries are also located. The road was badly damaged and sunken at many places. The condition of the road is deteriorating day to day. The farmers from nearby villages are facing difficulty to transporting while agricultural products to the nearest market centers i.e., Kamalapuram, Yerraguntla and Vempalli. The pavement composition of the existing road is Gravel Base 100mm, WBM 170-180mm and (Total Crust 270-280mm). Traffic on this road comprises CVPD 280 and CBR of sub-grade soil is 6% as per the design of pavement. The total crust required for the above traffic intensity and CBR Value comes out to 450 mm. Hence the existing crust is inadequate to cope up with the present traffic. Hence it is proposed to strengthen the road by proposing Wet Mix Macadam 150mm and SDBC 25mm thick. He has, therefore, requested to accord Administrative Sanction for the work “Improvements to the carriageway from Km 0/0 to 7/0 (working reach from 0/0 to 6/0) of Chinnacheppali-Veerapunayuni palli (via) Sangameswara temple in YSR District” for Rs. 150.00 lakhs under Plan MDR for the year 2012-13.

(P.T.O)

2. Government after careful examination of the proposal of Engineer-in-Chief(R&B) State Roads, Hyderabad, hereby accord administrative sanction of Rs. 150.00 lakhs (Rupees one hundred and fifty lakhs only) for the work "Improvements to the carriageway from Km 0/0 to 7/0 (working reach from 0/0 to 6/0) of Chinnacheppali-Veerapunayuni palli (via) Sangameswara temple in YSR District" under plan MDR Scheme for the year 2012-13.

3. The expenditure sanctioned in Para (2) above shall be debited to the Head of Account: 5054 – C.O.L on Roads & Bridges, 04 – District and Other Roads, MH – 800 – Other Expenditure, GH-11 – Normal State Plan, SH (07) – Major District Roads, 530 – Major Works, 531 – Other Expenditure.

4. The Engineer-in-Chief (R&B), State Roads, Hyderabad, shall take further action accordingly.

5. This order issues with the concurrence of Finance (Expr.PW) Dept vide their U.O.No.18271/744/A2/Exp.Pw/12, dated:18-07-2012.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
